Вчитель: Winter is a very nice season. There are many songs, poems and stories about it. Our pupils have prepared poems about winter. Let's listen to them.

(звучить музика пісні «Зима». Діти розповідають вірші.)

1 It's winter, it's winter
Let us skate and ski
It's winter, it's winter
It's great fun for me.

2 The snow is falling,
The wind is blowing,
The ground is white
All day and all night.

3 Skating, skating,
Boys and girls so gay
Like to skate together
On a winter day.

4 This is a season
When children ski
And Father Frost brings
The bright New Year Tree.

5 It is winter, it is cold
Father Frost is very old,
But he is always full of joy
And glad to give me a nice toy.

6 This is a season
With snow so white
We ski and skate

With all our might.

7 Winter is snow,
Winter is frosty,
Winter is white
All day and all night.

8 Skating, skating
Around and around we go
Over the frosty ice
And through the frosty snow.

9 «Who loves the trees best?»
«I love them best»,
White winter answered
« I give them all rest».

10 I am running on my skies
White and silver are the trees.
I am skating on bright ice –
Winter holidays are nice.

Вчитель: But somebody makes a snowman. Look at it.

Сніговик:

Look! I am a snowman.
I am big and so fat,
I have a carrot in my nose,

I have a funny hat.
